

## HIKERS MEET AT SAC LODGE SITE

To Form Organization and Arrange  
Future Plans at Historical  
Spot.

The Y. W. C. A. hikers, men and women, will have an outing Saturday. The hikers will begin to congregate at about 5 p. m. at the Sac council lodge site, a couple of blocks west of the Davis power plant at Searstown. Supper will be had around the camp fire at 6:30, each bringing his own. An impromptu program will follow and it is hoped to form a hikers' organization. All lovers of the outdoors and of historic spots are invited to come and bring suggestions for a form of organization and a name for it.

The place of meeting is of much interest historically. When the first settlers came here in the fall of 1828 and until Black Hawk was forcibly banished, they saw here the council lodge built of poles and bark; adjoining was the public square, and tall poles had suspended from them, gourds, or sometimes a dog or war trophy, all of it having to do with their religious observances.

The tribal festivals and ceremonials were held here, and within the council house the chiefs and braves, not only of the local, but of the inter-tribes, held councils to decide matters of state. Here appeared the emissaries of the Shawnee Prophet urging the Sac and Foxes to join Tecumseh's confederacy which terminated at Tippecanoe in 1811; here appeared many a British agent to sing war and give out medals, wampum belts and goods; and again the genial French, many of whom intermarried with the Indians.

Here Keokuk was elected a war chief at a time of threatened invasion by American soldiers during the war of 1812-14, while Black Hawk was away with most of the warriors fighting the Americans farther to the east.

To reach the spot, take Watch Tower or Milan cars, get off at the first bridge and walk west a block or two where you will find the flag indicating headquarters.

## BAPTISTS TO HEAR J. W. CASTO'S TALK, "THE HOLY LAND"

Professor J. W. Casto, superintendent of the East Moline public schools will deliver an address at the First Baptist church this evening under the auspices of the Men's Brotherhood Chapter 1037. The subject of the lecture will be "The Holy Land," the interesting scene of which Professor Casto has visited a number of times. The proceeds of the evening will be used in purchasing furnishings for the new Baptist Sunday school.

### WOMEN NEED SWAMP-ROOT.

Thousands of women have kidney and bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble. Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions.

Get a medium or large size bottle immediately from any drug store. However, if you wish first to test this great preparation send 10 cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention The Rock Island Daily Argus.—(Adv.)
